

BRENDA RADETZKI

Account Manager and Business Development Specialist with over 7 years of experience at global companies such as Google, Mastercard, and Autodesk, managing B2B accounts and leading strategic projects across LATAM markets.

Specialized in B2B sales, agile methodologies, and project execution, with a strong focus on aligning business strategy, technology, and innovation to deliver measurable outcomes. Proven experience in client consulting, account retention, and process optimization through digital solutions and cross-functional collaboration. Additionally, I have a growing interest in healthtech, aesthetics, and AI-driven solutions within the personal care and beauty industry. I leverage my background in cosmetology and dermatology to explore emerging business opportunities in these rapidly evolving fields.
